

STANDARD FAUCET AERATOR

Product Highlights

Our Standard Faucet Aerators are water saving, increase spray velocity and reduce splash. They are great for any application including both the kitchen and bathroom sinks. These faucet aerators are water efficient and offer savings by using less water as well as energy used to heat water.

Product Details

- All brass chrome plated dual threaded body
- Fits most male and female threaded faucets
- Available in bulk, individually packaged or in contractor ten packs
- Pressure compensated

Item Code	Stream	Flow Rate	Finish	Dual Thread		Case Qty	Certifications
